**AFFIDAVIT**

I, Chadwick J. Opitz, being first duly sworn, depose and state:

I am a Detective with the Beaverton Police Department and have been so employed since April 1999. I am currently assigned to the Portland Division of the Federal Bureau of Investigation (FBI) as a Task Force Officer (TFO), where I investigate computer crimes. I have been working as a task force officer since February 2006. I have received training in the investigation of computer, telecommunications, and other technology crimes. Since February 2006, I have been involved in the investigation of matters involving the sexual exploitation of children, to include the online sexual exploitation of children, particularly as it relates to violations of Title 18, United States Code, § 2422(b). I have made arrests and conducted searches pertaining to these types of investigations. I am a part of the Portland Innocent Images National Initiative (IINI) Undercover Operation Task Force, which includes FBI Service Special Agents. IINI is an intelligence-driven, proactive, multi-agency investigative initiative to combat the proliferation of child pornography/child sexual exploitation facilitated by an online computer. As a member of this Task Force, I have received training and certification at the FBI Calverton Resident Agency in areas related to online computer crime investigation involving child pornography and other aspects of child exploitation.

The statements contained in this Affidavit are based on my experience and background as a Special Agent, and on information provided by other agents of the FBI, and other law enforcement officers. I have not set forth every fact resulting from the investigation, rather, I *form ② DPA* have set ~~for~~ a summary of the investigation to date in order to establish probable cause to charge Richard Morris a/k/a Yahoo! screen name "slowandteasingfun" with using a means of interstate

commerce to attempt or persuade, induce, entice or coerce a minor to engage in sexual activity in violation of Title 18, United States Code, Section 2422(b).

**SUMMARY:** This complaint refers to an attempted enticement of a perceived 14 year old female who Ricky Lee Harrison attempted to meet with for the purpose of engaging in sexual intercourse. The planning for this meeting is evidenced by internet conversations, known as "chat" which indicate that Harrison believed the 14 year old girl was available and willing to engage in sexual intercourse with Harrison, who stated his age<sup>39</sup>. His attempt to engage in this conduct, and his enticement of the perceived teenage constitutes an offense involving online internet exploitation of children by acts to induce or persuade a minor to engage in sexual activity.

**LEGAL AUTHORITY:**

Oregon Revised Statute 163.355 provides that a person who has sexual intercourse with another person commits the crime of rape in the third degree if the other person is under 16 years of age. Rape in the third degree is a Class C felony. Oregon Revised Statute 163.305 definition of "sexual intercourse" states "has its ordinary meaning and occurs upon any penetration, however slight; emission is not required."

Oregon Revised Statute 163.385 provides that a person who engages in deviate sexual intercourse with another person or causes another to engage in deviate sexual intercourse commits the crime of sodomy in the ~~second~~<sup>third</sup> degree if the other person is under 16 years of age. Sodomy in the third degree is a Class C felony. Oregon Revised Statute 163.305 definition of "Deviate Sexual Intercourse" means sexual conduct between persons consisting of contact between the sex organs of one person and the mouth or anus of another.

Oregon Revised Statute 163.415 provides that a person commits the crime of sexual

abuse in the third degree if the person subjects another person to sexual contact and the victim does not consent to the sexual contact; or the victim is incapable of consent by reason of being under 18 years of age. Sex abuse in the third degree is a Class A misdemeanor. Oregon Revised Statute 163.305 definition of "Sexual Contact" means any touching of the sexual or other intimate parts of a person or causing such persons to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

Oregon Revised Statute 161.405 provides that a person is guilty of an attempt to commit a crime when the person intentionally engages in conduct which constitutes a substantial step toward commission of the crime. An attempt is a Class A misdemeanor if the offense attempted is a Class C felony. An attempt is a Class B misdemeanor if the offense attempted is a Class A misdemeanor.

For the reasons set forth below, your affiant contends that this affidavit contains ample probable cause to believe that MORRIS has used a means of interstate commerce, namely the Internet, to attempt to or knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense. In this case, the applicable sexual activity your affiant believes MORRIS proposed to carry out with an individual who he believed to be a 14 year old minor female, included, but is not limited to, digital penetration, oral sex, and vaginal intercourse.

#### **YAHOO! CHAT**

Yahoo!, is a commercial Internet Service Provider (ISP) that offers subscribers access to electronic bulletin boards which can be read and responded to by other subscribers, known as "chat." "Chat" is real-time type-written conversation between people, much like a verbal

conversation. Yahoo! also provides electronic mail (E-mail) service, enabling subscribers to communicate by computer similar to writing letters and sending through normal mail. Each subscriber can communicate with other Yahoo! users either in real-time through either chat rooms, private chat rooms or instant messages, if the other subscriber is also online, or via E-mail. Within the system, text messages and graphic images (such as photographs) can be sent to a subscriber, or to any person with an Internet E-mail address. Both text and graphics files can be saved to the computer disk drive for access and printing at any time.

### OVERVIEW OF INVESTIGATION

The information provided in this affidavit is the summation of an investigation conducted by affiant, acting in an undercover capacity (UCA) on the Yahoo! system, and using a computer in Portland, Oregon. All communications via computer made during this investigation were with an individual identified as RICHARD MORRIS using the Yahoo! screen name "slowandteasingfun." All conversations between the affiant and "slowandteasingfun" were by contact through instant messages and E-mail. The conversations took place during the period of April 21, 2006 through April 22, 2006.

On April 21, 2006, at approximately 8:29 AM, the affiant, a 14-year old female, from Portland, Oregon, was logged on and had entered a chat room entitled "Oregon1," the screen name slowandteasingfun contacted her using an instant message. It should be noted that Yahoo! archiving cut off the first line of the chat showing slowandteasingfun contacting the affiant. The following is a verbatim transcript of the instant message conversation:

Richard Morris (5/10/2006 3:25:28 PM): yeah  
Richard Morris (5/10/2006 3:25:37 PM): I was just packing up to go to meeting

On May 10, 2006, at approximately 4:00 pm, FBI Agents, Task Force Officers, and Beaverton Police Detectives went to the Willow Creek Max Transit Center located at 375 SW 185<sup>th</sup> Avenue in Hillsboro, Washington County, Oregon to wait for RICHARD MORRIS to arrive. At approximately 4:20 pm, Beaverton Police Detective Dale Hoskins advised a male subject matching the picture from the webcam session with RICHARD MORRIS from May 9, 2006 was in a car in the parking lot of the transit center. The vehicle was a yellow Mitsubishi Lancer with Oregon license plate #ZDN525. FBI Special Agent (SA) Joel Brillhart and Task Force Officer (TFO) Chadwick Opitz confirmed the male subject in the vehicle was the same person from the webcam session with RICHARD MORRIS from May 9, 2006.

Three different Max trains arrived and departed from the Willow Creek Max Transit Center and the male subject in the yellow car remained in the parking lot. Agents, task force officers, and detectives contacted the male subject at approximately 4:40 pm and was taken into custody without incident. The male subject was positively identified from an Oregon driver's

license as Ricky Lee Harrison (DOB 02-04-58). Task Force Officer Chadwick Opitz advised Ricky Harrison of his constitutional rights per Miranda. When asked if he understood, Ricky Harrison replied he understood his Miranda Rights.

Ricky Harrison told SA Brillhart and TFO Opitz he was waiting at the transit center to meet a girl named "Kim". Ricky Harrison said he had met "Kim" from talking on-line on Yahoo!. Ricky Harrison stated he believed the girl in the photo, set to him on May 8, 2006, was thirteen or fourteen years of age. Ricky Harrison's wedding ring was found in the driver's door pocket of the car he had been driving. Also found in the car were twelve condoms and four peach wine coolers. Ricky Harrison confirmed his screen name on Yahoo! was slowandteasingfun.

Based upon the above information and your affiant's experience, your affiant respectfully submits that there is probable cause to believe that Ricky Lee Harrison (aka:Richard Morris and slowandteasingfun) has committed a violation of Title 18, United States Code, Section 2422(b), in that he has used a facility of interstate commerce to attempt to or to knowingly persuade, induce, entice or coerce an individual who has not attained the age of 18 years to engage in sexual activity for which any person can be charged with a criminal offense.
